Ink compatibility and key benefits

Standard
For everyday printing that is precise and affordable.

Value
For high volume printing, choose high capacity XL packs.[1]

Affordability
Individual 5 ink system lets you replace each cartridge separately when needed.

Dual-drop ink technology
Delivers an extremely small ink drop size, for photos with smooth, even colour and fine detail.

Instant-dry and smudge resistant photos
Print realistic photos that dry instantly and resist water and smudges using HP 564 inks with HP Advanced Photo Paper.

Why buy Original HP print cartridges?

Exceptional value
Original HP print cartridges produce twice as many printed pages as compared to remanufactured and refilled ink cartridges.[3]

Exceptional quality
Over 20 years of research and development have gone into the design of Original HP print cartridges to ensure that you get impressive and consistent print and photo quality every time.

Exceptional reliability
In a recent study, 42% of tested refilled cartridges were found dead on arrival or failed prematurely.[3] With Original HP print cartridges, you can expect consistent, reliable and flawless performance.

Environmental commitment
HP's Planet Partners Program ensures that Original HP print cartridges collected are recycled responsibly. All cartridges returned to the program go through a multi-phase recycling process, and various parts are reduced to raw materials that are used to make new metal and plastic products.

Be rewarded
Earn rewards when you purchase and install Original HP ink cartridges.[5] Count on quality and reliability, plus your choice of exclusive offers and thank-you gifts from HP Rewards.[5]

HP REWARDS
BE REWARDED WHEN YOU PURCHASE ORIGINAL HP CARTRIDGES.

Home printing will never be the same again with the HP Photosmart 7510 e-All-in-One. Now you can print from virtually anywhere via email with HP ePrint.[1] Featuring a 4.33-inch touchscreen with gesture control, you can print lab-quality photo sand everyday documents, plus enjoy wireless access to apps – all without a PC.[2] What's more, it's equipped with an automatic document feeder that makes copying and scanning loose sheets effortless.

HP ePrint. Now, print from virtually anywhere[1]

If you can email it, you can print it. HP ePrint brings greater flexibility and control by allowing you to customise your printer's email address making it easy to remember and share. Simply email a photo or document to your home printer and pick up the pages later.

Direct wireless printing from most mobile devices[3,4]

HP e-All-in-Ones make it easy to share a news article or an interesting web page on paper – no printer drivers needed, just send and print via Wi-fi. Supports the following:

iOS devices
With AirPrint™ support, you can print from any Apple iPad®, iPhone® or iPod® Touch.[5]

HP ePrint Home & Biz[3] — app based printing for Android™, iOS and Symbian®
Enjoy easy mobile printing of your digital files to more than 200 HP printer models, including older networkable and HP e-Print-enable printers. You can now print photos, documents, web content and more[6] wirelessly. Learn more at www.hp.com/go/mobile-printing-solutions.

Touch. Print. Direct from the Web[2]

Use the interactive HP TouchSmart screen with full gesture control to access and print web content without using a PC. With built-in printer apps, you can easily print colouring books, puzzles, calendars and more. You can also access HP ePrintCenter online library to download more printer apps. Go to www.hp.com/go/ePrintCenter for more information.

HP Auto Wireless Connect[7]

Now, connecting HP Photosmart 7510 e-All-in-One to your Wi-fi network is truly simple. Simply turn on the printer, insert the software CD into your Wi-fi-connected PC and the printer is automatically connected. No password or Wi-fi network name to remember or enter.

Unrivalled versatility with Automatic Document Feeder

ADF

Simply insert up to 25 sheets into the automatic document feeder, press a button for handsfree scanning or copying. Also equipped with two-sided printing capability for double-sided printing, and copying.

5 individual inks system

Print lab-quality photos and laser-quality text using affordable 5 individual inks. With individual inks, you simply replace the cartridge that has run out of ink. For greater savings, choose HP Photo Value packs or optional XL ink cartridges for 2 times more black and 2.5 times more colour printed pages.[8]

Create exciting memories with HP Photo Creations software

Make calendars, collages, greeting cards and photo projects easily on your home PC! With over 1,800 artwork designs to choose from, it's easy to create an impact.
