LabelManager[®] 210D

All-Purpose Label Maker With Large Graphical Display

Basic labelling and a large screen make office labelling quick and easy

With such a smart user interface, this compact desktop label maker belongs on every desk. So versatile, it not only provides a logical labelling flow, it handles all sorts of labelling tasks professionally and quickly.

LabelManager[®] 210D Features:

- 1 Large graphical display lets you see text effects on screen before you print. This means no more guessing what the label will look like. "What you see is what you get"
- 2 Enjoy an intuitive labelling experience, from start to print
- 3 Quick access keys for punctuation and currency symbols
- 4 Familiar computer-style keyboard speeds text entry
- 5 Customise labels and add emphasis by choosing from 6 font sizes, 7 text styles, 8 boxes and underline
- 6 Prints up to 2 lines per label (on 9mm or 12mm)
- 7 Prints up to 10 copies of labels
- 8 9-label memory and "save text" feature
- 9 Runs on AAA batteries or optional AC adaptor
