

EcoTank ET-1810

Enjoy mobile printing and an ultra-low cost per page with this single function inkjet, perfect for modern, busy households

Save up to 90% on printing costs¹ with Epson's cartridge-free EcoTank printers. Supplied with high yield ink bottles, the integrated ink tanks are easy to fill thanks to the specially engineered ink bottles. With no cartridges to replace, and flexible connectivity features, this is the perfect printer for anyone looking for high-quality prints at an incredibly low cost per page.

Say goodbye to cartridges

EcoTank provides hassle-free home printing - the ultra-high capacity ink tanks allow mess-free refills and the key-lock bottles are designed so only the correct colour can be inserted. The front ink level display means it's easy to see when it's finally due for a refill.

Keep on saving

This economical printer saves you up to 90% on printing costs¹ and comes with up to 3 years' worth of ink included in the box². One set of ink bottles delivers up to 4,500 pages in black and white and 7,500 in colour³, equivalent of up to 72 cartridges worth of ink!¹

Epson Smart Panel app

This app enables you to control your printer from your smart device⁴. You can print documents and photos, set up, monitor and troubleshoot your printer, all from your phone or tablet.

Packed with features

Featuring a 100-sheet rear paper tray, borderless photo printing (up to 10x15cm) and print speeds of up to 10 pages per minute⁵, you can speed through a variety of tasks with ease.

Modern flexibility

Featuring a compact design and full Wi-Fi and Wi-Fi Direct connectivity, you can easily integrate this printer with your existing home set-up and print from mobiles, tablets and laptops⁴.

INK BOTTLE YIELD DATA

Included	3,600 pages*	6,500 pages*
Replacement	7,500 pages*	7,500 pages*

* Approx. page yield based on ISO/IEC 24711/24712 or ISO/IEC 29102/29103. Actual yield will vary depending on images printed and usage conditions. For more information visit <http://www.epson.eu/pageyield>

1. Average cost per page saving and average number of inkjet cartridges required to print the same number of pages as EcoTank "102" and "104" ink bottles. Comparison between average yield (A4 prints of ISO/IEC 24711) of EcoTank "102" and "104" bottles and the genuine consumables used within the 50 best-selling inkjet cartridge printers (according to GfK Inkjet Printing Devices and Inkjet Printing Cartridges Point of Sale panel market data for Germany, France, UK, Spain and Italy Apr-19 – Mar 2020).
2. Based on print volume of 100 pages per month and the lowest yield produced from the first set of inks.
3. Quoted yields are extrapolated based on Epson original methodology from the print simulation of Test Patterns provided in ISO/IEC 24712 or 29103. Quoted yields are NOT based on ISO/IEC 24711 or 29102. Quoted yields may vary depending on the images that you are printing, the paper type that you are using, the frequency of your prints and environmental conditions such as temperature. During the initial printer setup, a certain amount of ink is used to fill the print head's nozzles, therefore the yield of the initial bundled set will be lower.
4. Epson Smart Panel and Epson Creative Print apps require a wireless connection. Epson Email Print and Epson Remote Print Driver require an internet connection. For more information, supported languages and devices, please visit www.epsonconnect.eu
5. Determined in accordance with ISO/IEC 24734 showing the average of ESAT from the Office Category Test for default simplex. For more information visit the Epson website
