HP Wired Desktop 320MK Mouse and Keyboard (9SR36UT)

Overview

Every Day Productivity

Work efficiently and enhance your everyday productivity with the reliable HP Wired Desktop 320MK Mouse and Keyboard.

Designed for your comfort

Enjoy a comfortable fit with a reduced-sized keyboard and low-profile quiet keys. The familiar three-zone layout has a number pad, arrow keys, and 6° adjustable slope for your wrist position. Navigate documents in either hand with a contoured mouse.

Easy Cleaning

Use your mouse and keyboard every day and they will accumulate dirt and grime. Over time, this can affect how they perform. Because they were specifically designed to withstand everyday cleaning with select disinfecting wipes,[1] this is one mouse and keyboard combo that's a snap to keep clean.

Simplified connection

Get plug and play simplicity and essential design features. Connect the keyboard and mouse to any available USB ports on your laptop. The keyboard's LED indicator alerts you to locked keys and the mouse wheel doubles as a third function button.

Responsibly Made

You should feel good about the products you buy and use. Rest assured, this wired keyboard is made with at least 75% post-consumer recycled plastic[2] and the printed circuit boards on both the keyboard and mouse are low halogen.[3]

Features

The Key to AI

With one key, access the power of Microsoft Copilot, an AI powered assistant that helps you simplify tasks, collaborate, and work smarter. Find answers from across the web, personalize your apps, or get creative with text, photos, and videos.[4]

---

[1] Select household wipes can be safely used to clean HP desktop wired 320 KB/Mouse up to 1,000 wipes: See wipe manufacturer's instructions for disinfecting and the HP cleaning guide for HP tested wipe solutions at How to Sanitize Your HP Device Whitepaper.

[2] Recycled plastic is expressed as a percentage of the total weight plastic. Post-consumer recycled is based on the definition set in the EPEAT® standard for computers, IEEE 1680.1-2018 standard.

[3] External power supplies, power cords, cables and peripherals are not Low Halogen. Service parts obtained after purchase may not be Low Halogen.

[4] Copilot in Windows (select products only) requires Windows 11. Some features require an NPU. Timing of feature delivery and availability varies by market and device. Requires Microsoft account to log in. Where Copilot is not available, the Copilot key leads to the Bing search engine. See http://aka.ms/WindowsAIFeatures.
