

Your full desktop experience

Print, copy and scan-functionality packed into a compact design makes the MA2000w the ideal device for desktop use. Designed for home use and small workgroup sharing, this multifunctional printer offers 20ppm black and white printing and colour scanning.

MA2000w

A4 Monochrome

Print, Copy & Scan

Wireless network or USB

Toner included for up to 3,000 printed pages

Light and Compact

Due to its light weight and compact design, the MA2000w can be placed on the desk at a reachable distance to support your document tasks, whether you are in the office or working from home.

Easy to Use

The KYOCERA Client Tool is a simple and intuitive utility enabling users to easily print and scan their documents.

- + Copy
- + ID Card Copy
- + Scan

- + Density adjustment
- + Program function

Easy Setup and Support

Our Kyocera online download center, accessible 24/7, provides support videos for product setups, drivers installations and access to our free Client Tool utility. For easy access to the website, you can simply scan the QR code that is on the front of the printer from any smartphone or tablet.

Additional Features Supporting Remote Work

The compact and lightweight design makes it easy to place and use from anywhere. The MA2000w All-In-One toner/developer design utilizes all the toner without any waste. Also, with energy saving EcoPrint Mode and Quiet Mode technology, you're environmentally being green with reduced noise. For IT managers who require printing and scanning activity by remote workers, log data can be saved and exported periodically.
